WHAT VENDING SAYS ABOUT YOUR COMPANY

Junk-Food Vending

- Prioritizing Convenience Over Health
- Old School Workplace Culture
- Employee Wellness Out of Focus
- Lack of Attention on Employee Health
- Out of Touch with Employee Desires
- Outdated Food and Beverage Choices
- Negative Employee Health Impact

Healthy, Organic Vending

- Commitment to Employee Well-being
- Promote a Healthy Lifestyle
- Emphasis on Quality
- Enhanced Workplace Culture
- Adapting to Employee Change
- Differentiation from Competitors
- Positive Company Image
- Focus on Improved Performance
- Corporate Wellness Alignment
